

COUGH EASE™ is all-natural and can be used regularly prior to racing and other strenuous events; it will not test. COUGH EASE™ works fast without Clenbuterol.

Highest quality ingredients in COUGH EASE™ include: **Menthol** (natural, from *Mentha Piperita*), **Oil of Eucalyptus** (natural, from *Eucalyptus Globulus*), **Lemon Juice** (*Citrus limon*), **Aloe Vera**, **Apple Cider Vinegar**, **Dark Honey**, and **Ethyl Alcohol**. Menthol is known to be useful as a mild local anesthetic and antiseptic (*Merck Manual*), and eucalyptus as an inhalation expectorant.

COUGH EASE™ Feeding Instructions:

Indications: COUGH-EASE™ is formulated as an aid to relieve minor coughs due to irritation. COUGH-EASE™ is all-natural and reliable.

Directions: Shake well before using. Using an oral dose syringe, administer ½ oz (0.5oz or 15cc) in the morning before morning exercise. Repeat the 1/2oz (15cc) dosage in the late afternoon or evening as needed.

Warnings:

- If the conditions persist, consult a Veterinarian.
- For use in horses only.
- Avoid contact with eyes and mucous membranes.
- Store at room temp (60-80 Degree's.)
- Keep out of reach of children.
- Not for use in horses intended for food.
